

Lab 2- Containers and Website Layouts

<https://waverly-demo.squarespace.com/>

Question 1 (Create home page)

You are required to build a new two page website as shown, in Figure 1.4 and Figure 1.5. Note, you are only required to write the HTML, thus your web page will look ugly and will not look exactly like the below images until you write the CSS. Please, analyze and study the structure of the web pages as presented in Figure 1.4 and Figure 1.5, then proceed to build the web pages.
